### Everything Needed For A B-Series Swap! - YouTube

This is one of the easiest B-series swaps to do (and the most common). You can get full swaps for \$1200-1600 depending on where you get it from and if you get any special stuff with it (like, for instance the LSD tranny which is a GREAT thing to get). If you can, try to get a motor from an EF SiR.

### EF Swap Guide, - Race & Track Driving

This is probably the easiest b-series transmission to find because it's found in every non-VTEC 94-01 Integra. Most notably, this transmission is the longest of all b-series transmissions and has the weakest synchro's and weakest differential. The final drive is 4.266:1 and each of the gears is longer compared to its B16A counterparts.

### B-series Transmission Guide | HondaSwap

Well guys I did the swap. I'm going to make the parts list that is necessary for the swap. I hope I don't miss out anything. - B-series enging of choice ( I did the LS) - DOHC Del Sol shift linkage - 94-01 DC rear T-bracket - 94-01 DC drivers top motor mount - 94-01 DC Lower tranny mount -...

### Del Sol B-series Swap List. MAKE IT a STICKY!! | Honda and ...

The B-Series transfer case is MUCH weaker than its K-Series counterpart. When asked how much power it will hold, there have been many varying cases. Some breaking as soon as 200HP. But the generally accepted limit of the stock T-Case is 300-400HP.

### 92-00 Honda Civic EG/ EK B-series Swap Kit Combo Package

For B-Series into EK, you need the rear tranny mount and timing belt side block mount off the 99-00 Si. You can technically use a 90-93 block mount off a B18a1 into an EK, but it dosent line up perfectly. I currently am using it on my '00 sedan, and the front most bolt hole isnt PERFECTLY lined up. You can however fit a bolt thru it.

### The Ultimate K-Swap Guide | Hybrid Racing

As I have started to notice a few people asking about doing a engine swap into a ED/EF I've decided to make a guide for the swap. This is a basic guide to a B-series engine conversion into a 1988-1991 Honda Civic ED. This is not meant to be a how to guide, just some general information on what to look out for, and what you will be getting yourself into.
