By Author Kia Sorento Automotive

What's most telling about the latest Kia Sorento and the demands of its target audience is that it is now available with hybrid power. In general, it's an extremely refined powertrain, especially at low and medium speeds, using the combined strengths of an efficient 1.6-litre turbocharged petrol engine, a muscular 59hp electric motor, and a slick-shifting six-speed automatic gearbox.

First drive: Kia Sorento

The new Sorento is a gamechanger in its segment. The new Kia Sorento arrives with an all-new platform designed for superior safety and performance. Roomier and more inviting, it's also an SUV that's easy to get comfortable with. And when it comes to driving, it's the most fun Sorento ever.
