While we may have sold many engines listed above to be used for a Case 446 Category Category, we are NOT claiming these are exact replacements unless the product notes explicitly say so. Many original equipment engines may no longer be in production because of obsolescence or EPA regulations, so in some cases there may not be an exact replacement available.

Case 446 Repower - Small Engine Warehouse

All right guys, I'm going to stir up some debate here. I have a Case 446 with the original Onan engine in it. It's been sitting for 20+ years, is covered in oil, and doesn't appear to have been very well maintained. I've partially disassembled the engine, and the cylinder walls do look decent and minimal piston play at TDC. I haven't been into it any further yet.
