Medical Dictionary is intended for use by healthcare consumers, students, and professionals as well as anyone who wants to keep up with the burgeoning array of terminology found in today's medical news. By staying clear of jargon, the dictionary offers fast and concise information, whether the user is searching for a description of an over-the-counter or prescription medication, a medical ...

Medical Dictionary

Some of my class instructors have recommended that we find ourselves a good medical dictionary. After some research, and asking established coders what they prefer in a med. dictionary I settled on this Mosby's Medical Dictionary. Cursory Observation: The dictionary is bound with a hardcover and the pages are shiny, sleek, and nicely printed.
