Gladio was part of a post-World War II program set up by the CIA and NATO supposedly to thwart future Soviet/communist invasions or influence in Italy and Western Europe. In fact, it became a state-sponsored right-wing terrorist network, involved in false flag operations and the subversion of democracy. The existence of Gladio was confirmed and admitted by the Italian government in 1990, after a judge, Felice Casson, discovered the network in the course of his investigations into right-wing ...
