Presentation Patterns Quotes by Neal Ford

David McCandless turns complex data sets (like worldwide military spending, media buzz, Facebook status updates) into beautiful, simple diagrams that tease out unseen patterns and connections. Good design, he suggests, is the best way to navigate information glut — and it may just change the way we see the world.

How to make a great presentation | TED Talks

Take a ruler and craft knife and measure off and cut a straight line leaving a strip of leather about 1/4 of an inch wide. Go ahead and practise making strips of varying widths. Get a feel for both blade and material. * Be safe, use a ruler with a finger groove and which has a non slip back. Make sure your blade is new and sharp.

The first article in the Speech Preparation Series outlined how to prepare a speech in six steps. In this second article, we examine the first of these steps — how to select a speech topic. Selecting a speech topic sometimes feels like shooting an arrow in a random direction and hoping that it hits a target. If this is your approach, you are probably quite frustrated.

Feb 27, 2012 - When we learn to present naked, we reach our audiences by communicating the essence of the message, stripping away all that is unnecessary and embracing the ideas of simplicity, clarity, honesty, integrity, and passion. If "slideware" is used, the slides never steal the show or rise above serving a strong but simple supportive role.
