Sibleys Birding Basics David Allen

David Sibley, America's premier birder and best-known bird artist, takes a new direction - in Sibley's Birding Basics he is concerned not so much with species as with the general characteristics that influence the appearance of all birds and thus give us the clues to their identity. To create this guide, avid Sibley thought through all the skills that enable him to identify

Sibley's Birding Basics eBook: Sibley, David Allen: Amazon ...

About the book. Birding Basics, published in October 2002, is meant to be the introduction to The Sibley Guide to Birds. It was clear when I was writing the introduction in that book, kept short for very good reasons, that it would not be sufficient to cover all of the details that I thought it should.

Sibley's Birding Basics - Sibley Guides

"Sibley's Birding Basics" by David Allen Sibley (son of Fred Sibley and brother of Steven Sibley) is a fantastic book on the basics of what to look for in the identification of birds. This is not a specie by specie listing of the characteristics of the various birds, but a explanation of the what to look for in identifying birds, along with hundreds of examples well explained and illustrated.
