Strange News from Another Star is my first book of the year, and of the decade. It is truly a masterful expression of Hesse's literacy skills; each novel is a wonderful world of its own while the stories simultaneously create a coherent bundle. Hesse's style is an invitation for us to contemplate what is real and what could be.

"Strange News from Another Star" is a short fairy tale written by Hermann Hesse in April 1915, one year after the start of the 1st World War. In the fairy tale, two stars are juxtaposed. On one star, life is valued, beauty is appreciated, reason is respected, humane traditions are cultivated, love and happiness are experienced and peace prevails.

"Strange News from Another Star" is a fairytale by Herman Hesse, which deals with the themes of the tragedy of ignorance. When disaster strikes, we tend to get consumed by it and forget that in other places even bigger disasters are occurring. It is through knowledge, love and grace, that they can be overcome.

Blur - Strange News From Another Star Lyrics | MetroLyrics

Unlike his earlier work, from Peter Camenzind through Knulp, the stories in Strange News from Another Star do not allow for an essentially realistic interpretation. They are concerned with dream worlds, the subconscious, magical thinking, and the numinous experience of the soul. Their subject is the distilling of wisdom.
